*Dear Renaissance School of the Arts Community:*

*Welcome to the 2020-2021 school year at Renaissance School of the Arts. RSA is committed to providing our students with a well-rounded middle school experience. Our instructional program focus on academic achievement, artistic development and social emotional development. We are proud of students and our faculty work diligently to embolden, cultivate, and inspire students to achieve success in our supportive learning environment. The faculty and I are extremely excited to return to RSA this upcoming school year.*

*At Renaissance School of the Arts we strive to go beyond state standards and we continuously prepare our students will lasting skills essential for college readiness. Our thematic units are aligned to the Next Generation Learning standard that ensure all students have access to a high level curriculum. We provide high school level courses in Mathematics and Science. Additionally, we have been recognized for our arts department and the development our student's artistic ability. We have partnerships with the top cultural organizations from around NYC. Some of these partnerships include but are not limited to The Metropolitan Opera, Lincoln Center Performing Arts, Museo de Barrio and many others. Additionally, all of the students at RSA are expected to be proficient in computer science through our 3year Python Coding course.*

*In addition, we take pride in our schools' familial environment where every students receives the support they need to prepare to enter high school and excel academically. We have strong relationships with our families and work closely to ensure our families are supported with their children. As Renaissance School of the Arts Artist we want our students to exhibit passion in every aspect of their education and life.*

*On behalf of the entire faculty at Renaissance School of the Arts we look forward to working with you and your family this upcoming year.*

*Respectfully,*

Brian Bradley, Ed.D.
