BOX 1: PARENTAL CONSENT FOR SCHOOL-BASED HEALTH CENTER SERVICES

Please sign Box 1 & 2

I have read and understand the services listed on the next page (School-Based Health Center Services) and my signature provides consent for my child to receive services provided by the Boriken Neighborhood Health Center School-Based Health Center. By law, parental consent is not required for the conduct of mandated screenings, the application of first aid treatment, prenatal care, services related to sexual behavior and pregnancy prevention, and the provision of services where the health of the student appears to be endangered. Parental consent is not required for students who are 18 years or older or for students who are parents, married or legally emancipated. My signature indicates I have received a copy of the Notice of Privacy Practices. My signature also gives my consent to contact other providers who have examined my child.

School Based Health Center Parental Consent Form

SCHOOL BASED HEALTH CENTER SERVICES — BOX 1

I consent for my child to receive health care services provided by the State-licensed health professionals of Boriken Neighborhood Health Center as part of the school health program approved by the New York State Department of Health. I understand that confidentiality between the student and the health provider will be ensured in specific service areas in accordance with the law, and that pupils will be encouraged to involve their parents or guardians in counseling and medical care decisions. School-Based Health Center services may include, but are not limited to:

1. Mandated school health services, including: screening for vision (including eye glasses), hearing, asthma, obesity, scoliosis, Tuberculosis and other medical conditions, first aid, and required and recommended immunizations.
2. Comprehensive physical examination (complete medical examination) including those for school, sports, working papers, and new admissions.
3. Medically prescribed laboratory tests such as for anemia, sickle cell, and diabetes.
4. Medical care and treatment, including diagnosis of acute and chronic illness and disease, and dispensing and prescribing of medications.
5. Mental health services including evaluation, diagnosis, treatment, and referrals.
6. For Adolescent Students: Reproductive health care services, including abstinence counseling, contraception [dispensing of birth control pills, condoms, Depo (the shot), LARC, other FDA approved methods] testing for pregnancy, STI screening and treatment, HIV testing, and referrals for abnormal results, as age appropriate and medically indicated.
7. Health education and counseling for the prevention of risk-taking behaviors such as: drug, alcohol, and smoking abuse, as well as education on abstinence and prevention of pregnancy, sexually transmitted infections, and HIV, as age appropriate and medically indicated.
8. Dental examinations including: diagnosis, treatment, and sealants where available.
9. Referrals for service not provided at the school-based health center.
10. Annual health questionnaire/survey.

NEW YORK CITY DEPARTMENT OF EDUCATION'S — BOX 2
FACT SHEET FOR CONSENT FOR RELEASE OF HEALTH INFORMATION
HIPAA COMPLIANT PARENTAL CONSENT FOR RELEASE OF HEALTH INFORMATION

My signature on the reverse side of this form authorizes release of medical information as specified below. This information may be protected from disclosure by federal privacy law and state law.

By signing this consent, I am authorizing medical information as specified below to be given to the Board of Education of the City of New York (a/k/a New York City Department of Education), either because it is required by law or by Chancellor's regulation, or because it is necessary to protect the health and safety of the student. Upon my request, the facility or person disclosing this medical information must provide me with a copy of this form. Parents are required by law to provide certain information to the school, like proof of immunization. Failure to provide this information may result in the student being excluded from school.

My questions about this form have been answered. I understand that I do not have to allow release of my child's medical information, and that I can change my mind at any time and revoke my authorization by writing to the School-Based Health Center. However, after a disclosure has been made, it cannot be revoked retroactively to cover information released prior to the revocation.

I authorize the Boriken Neighborhood Health Center School-Based Health Center to release specific medical information of the student named on the reverse page to the Board of Education of the City of New York (a/k/a New York City Department of Education).

I consent to the release from the School-Based Health Center to the NYC Department of Education and from the NYC Department of Education to the School-Based Health Center, of medical information outlined below in order to meet regulatory requirements and ensure that the school has information needed to protect my child's health and safety. I understand that this information will remain confidential in accordance with Federal and State law and Chancellor's Regulations on confidentiality:

Information Required by Law or Chancellor's Regulation including but not limited to:

- Comprehensive Physical Exams (Form CH-205, or equivalent such as sports exams, etc.)
- Immunizations (required /recommended)
- Vision and hearing screening results
